

Fact Sheet

Bosch in the United Kingdom and Ireland

In 2023, Bosch celebrated its 125th anniversary of operating in the UK. Robert Bosch opened an office in Store Street, London in 1898, and it was the company's first location outside Germany.

Each of Bosch's four business sectors has a presence in the UK and the company employs more than 6,700 associates. In 2023, Bosch UK generated revenues of nearly £3.5 billion pounds sterling (around 4 billion euros). The UK is Bosch's largest European market after Germany and it's the fourth largest worldwide.

The Bosch Group is a leading global supplier of technology and services. Bosch offers innovative solutions for smart homes, smart cities, connected mobility, and connected manufacturing. The Bosch Group's strategic objective is to deliver innovations for a connected life. In short, Bosch creates technology that is "Invented for life."
